ONTARIO.

- 147 1794 FERTILITATEM etc. A river-god. R̄ One Half Penny—Copper | Company | of Upper | Canada. A bzd. proof. 1

A *restrike*, perpetrated by J. R. Thomas. Until about 1894 this beautiful and very rare token enjoyed the highest reputation, and the full confidence of the collector,—at which time, unfortunately, the dies fell into the hands of the gentleman named, who restruck them, and offered them for sale for £1 each. They may be recognized by their light shade of bronze, and they lack perfection of finish, which the originals and all high grade proofs possess.

The *American Journal of Numismatics*, in July, 1894, used some very forcible language on this operation, which excited attention abroad, and was resented by the restriker; but this article and the further editorial comments in October, 1895, on the same matter, seem to have met the full approval of American collectors; as there is nothing on the pieces to show they are not originals.
